

RD Certificate Number: EW560

Thermic Technology Ltd - PhotonAir

Description

This is an assessment of PhotonAir a breathable lightweight thin flexible insulation that incorporates breathable roofing felt. It is constructed from a 33mm core of high performance mineral wool encased in perforated reflective lower layer and breathable felt upper layer.

The product should be used in a prescribed manner and location as indicated by the manufacturer and installed according to their instructions and manuals. The product should be used in conjunction with other insulation materials to achieve the required thermal properties.

Scope of Registration

Due to space limitations, the Registered Detail certificate should be consulted for the full scope of this registration.

Validity

This system has been checked for compliance in accordance with English and Welsh Building Regulations

Registration was first issued on 17/04/15 and is valid until 17/09/21 providing there are no amendments to applicable regulations.

Issue dated 18/11/2020
