

RD Certificate Number: EW1225

Thermic Technology Ltd – PhotonFoil-A1

Description

PhotonFoil-A1 is a lightweight flexible multi foil which is a vapour control layer and air leakage barrier. It is constructed from a 33mm core of high performance mineral wool encased in very low emissivity outer layers.

Scope of Registration

Due to space limitations, the Registered Detail certificate should be consulted for the full scope of this registration.

Validity

This system has been checked for compliance in accordance with English and Welsh Building Regulations

Registration was first issued on 30/01/20 and is valid until 30/01/21 providing there are no amendments to applicable regulations.

Issue dated 30/01/2020
